

Space-Ray Would Like To Have Your **WIND BLOCKER® INSTALLATION PHOTOGRAPHS**

Wind Blocker® Patio Heater

Your installation photos will help show prospects design/layout ideas, product placement and the efficacy of our heaters in various hospitality settings like open air restaurants, outdoor bars, patios, verandas, vestibules... even residential applications.

Just take a good digital photo of your Space-Ray Wind Blocker® Patio Heater installation like the ones shown below and Space-Ray will send you a cash Promo Rebate of \$50.

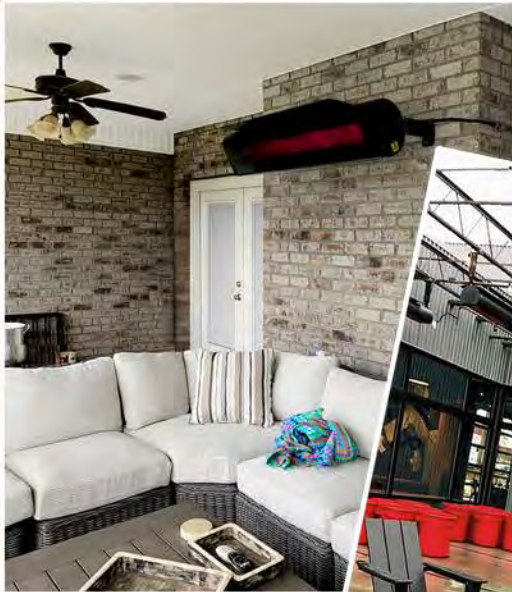

If your photo includes customers within the heated space we will increase your rebate to \$100. (See page 4 below for submission details.)

 **SPACE-RAY**

E-mail your photo to info@SpaceRay.com. Indicate on subject line "Space-Ray Installation Photo Promo". State your name and include the address where you would like the promo check to be mailed. Photos should be sharp and of reasonably good quality. Filesize of 2 Megs or larger is preferred.

Multiple photos per property are welcome. Whether one or multiple photos are submitted, a rebate will only be paid for those photographs selected by Space-Ray. Space-Ray reserves the right to use the selected installation photo(s) for promotional purposes without indicating where they are installed.
